

# 2020 COMMUNITY GIVING APPLICATION

KettleHouse Brewing Company's **Community Giving Program** was created by the desire to give back to the community that has helped us in so many ways. Thank you for your interest in partnering with us to celebrate your cause and garner support for your organization or event.

**We are proud to offer two programs for you to apply to. You may apply to both if you would like to be considered for both programs.**

**KettleHouse Community Kollab at the Northside:**

Rotating quarterly recipients have the opportunity to collaborate on a custom brew and receive \$1 from every pint, Growler and Crowler of this beer sold during the quarter, or until the beer is gone, whichever comes first.

**KettleHouse Community UNite at the**

**Bonner taproom:** Rotating monthly organizations receive \$1 from every pint purchased between 5-8pm on the evening of your event.

- We will provide a promotion idea document to help in your efforts. We'll also promote your event on our social media, our website & in the taproom.
- The success of your event depends on your organization's efforts. **Recipients agree to plan, promote and participate in all aspects of their event** in partnership with KettleHouse.
